

**EDUCATION**

<b>Bachelor of Architecture</b>	1985
• University of Texas at Austin	
<b>UT Oxford England Study Abroad Program</b>	1983
• Urban Design Study Abroad Program	

**REGISTRATION**

Commonwealth of Massachusetts (NO. 8424)	1991
--	------

**PROFESSIONAL AFFILIATIONS**

<b>American Institute of Architects</b>	Member
• Committee on Design, Committee on Urban Design	
<b>Boston Society of Architects</b>	Member
• Design Committee	

**PROFESSIONAL EXPERIENCE**

**Arturo Vasquez, AIA** is the Principal and Founder of SAS/ Design, Inc. Mr. Vasquez has over 25 years of specialized experience integrating civic architecture + sustainable urban design, and master planning for neighborhoods, districts, and cities alike. He is an accomplished architect, urban designer and educator with extensive knowledge in architectural and urban planning history and theory combined with a highly-skilled expertise for visual communication. A hallmark of Mr. Vasquez's work is innovative thinking: with his firm he has established a reputation for merging architecture and urban design with advanced 2-D and 3-D visualization technology. His experience includes working with private and public sector clients, neighborhood organizations, non-profits, and city agencies for mixed-use, institutional and cultural architectural projects; and master planning for mixed-use developments, infrastructure, streetscapes and urban landscapes.

**PROFESSIONAL DEVELOPMENT**

<b>CEU Weekend at the Boston Architectural College</b>	2004-2008
• Understanding Accessibility Requirements in Massachusetts	
• Overview of the 7th Edition Massachusetts Residential Energy Code	
• Transitioning to BIM: Challenges and Opportunities for the Architectural Practitioner	
• Green Strategies for Historic Buildings	
• Modern Heritage: Not Your Grandfather's Preservation	
• 7th Edition MA Building Code for One & Two-Family Dwellings	
• LEED for Homes and ENERGY STAR for Homes Rating Systems	
• Visioning Sustainability: The Practice Charrette	
• Historic Preservation Requirements and Incentives	
• Understanding and Repairing Historic Buildings	
• LEED Green Building Rating System	
• Mold Avoidance by Design	
• Evaluating & Specifying Sustainable Building Materials	
• Green and Healthy Housing	
• Integration of Landscape Architecture into the Architectural Process	
• Restoration, Renovation, and Adaptive Reuse of Historic Structures	
• Requirements of the Massachusetts Energy Code	
• The New Massachusetts State Building Code, 7th Edition	
• Green Specs/LEED Specs	
• Regenerative Design: Moving Beyond Sustainability	
• Universal Design Philosophy: Inspire the Design Process

### **REPRESENTATIVE PROJECT EXPERIENCE**

#### **MASTER PLANNING AND URBAN DESIGN PROJECTS**

**St. Kevin's Area Planning Collaborative**, Dorchester, Massachusetts.

*For the St. Kevin's Area Planning Collaborative (SKAPC).* Comprehensive architectural, urban design and planning consulting services to create a consensus-based planning vision for "An Urban Renaissance at Upham's Corner". The SKAPC planning study captures the opportunity for the re-use of the St. Kevin's area site as a catalyst to encompass a broader strategic planning vision for improving Upham's Corner and enhance this culturally significant, historically important, commercially viable, and ethnically diverse urban neighborhood in the City of Boston.

**Talbot-Norfolk Triangle Real Estate Development Planning**, Dorchester, Massachusetts.

*For the Codman Square Neighborhood Development Corporation.* Community charrette and design guidelines for real estate development opportunities near the new Talbot Avenue Station.

**Chinatown Gateway Master Plan**, Boston, Massachusetts.

*For the Chinatown Gateway Coalition.* Community master planning and charrette process to develop a comprehensive urban design vision and growth strategy for the development of the 20-acre Chinatown Special Study Area land parcels and air-rights parcels south of Kneeland Street.

**Shurtleff-Bellingham Neighborhood Enhancement Strategy**, Chelsea, MA.

*For the Chelsea Neighborhood Housing Services, Inc.* Community master planning and charrette process to create an urban design strategic plan and neighborhood enhancement implementation strategy based on a pattern book analysis and documentation.

**Fairmount/Indigo Line TOD Master Plan**, Boston, Massachusetts.

*For the Fairmount/Indigo CDC Collaborative.* Comprehensive community planning process to address growth opportunities centered around transit-oriented development at each of four key

neighborhood areas that historically contained rail stations along the Fairmount Commuter Line in Dorchester, Codman Square, Mattapan, and Hyde Park.

**Wolfcreek Mixed-use Development Master Plan**, Austin, Texas.

*For the Wolf Family.* A high-density, mixed-use development master plan with residential, commercial/office, retail, entertainment/hotel uses, streetscape and open space amenities, and structured parking.

**Caritas St. Elizabeth's Medical Center New ED Urban Design/Landscape**, Brighton, MA.

*For Caritas St. Elizabeth's Medical Center.* Comprehensive urban design, streetscape master plan and landscape design for a new emergency department in Brighton Center.

**Fenway Northeastern Planning Process**, Boston, Massachusetts.

*For the Fenway Community Development Corporation and CLUE.* Community master planning and charrette process to implement an integrated growth management strategy addressing the needs of the community and the university.

**Ashland Transit and Downtown Plan**, Ashland, Massachusetts.

*For the Town of Ashland; in collaboration with Von Grossmann & Co.* Urban design, master planning, and architectural design guidelines for the redevelopment of three sites with mixed-use residential and commercial uses along a commuter rail line.

**Rose Kennedy Greenway Crossroads Initiative**, Boston, Massachusetts.

*For the Boston Redevelopment Authority.* Urban design vision to establish crossroad connections to link the Rose Kennedy Greenway parks and adjacent neighborhoods with the City of Boston and the Harbor.

**East Hollis Street Area Master Plan**, Nashua, New Hampshire.

*For the City of Nashua, Community Development Division.* Urban design, commuter rail station design, and transit-oriented development for the revitalization of an urban neighborhood.

**Historic Railroad Square Urban Design Plan**, Nashua, New Hampshire.

*For the City of Nashua, Community Development Division.* Urban design redevelopment plan for a mixed-use town center, and adaptive reuse for three historic buildings.

**Fenway Urban Village Charrette**, Boston, Massachusetts.

*For the Fenway Community Development Corporation.* 5-day urban design charrette for the redevelopment of the Boylston Street corridor into an urban village boulevard with mixed-use residential densities, civic open space, and streetscape amenities.

**Lowell Riverfront Development Landscape Master Plan**, Lowell, Massachusetts.

*Urban Design sub-consultant with the Cecil Group.* Urban landscape and streetscape design for the mixed-use redevelopment of the former Lawrence Mills with residential, academic, and open space recreational uses.

**Revere Beach Citizens Planning Charrette**, Revere, Massachusetts.

*Sponsored by the City of Revere-Mayor's Office; Save the Harbor/Save the Bay and the Campaign for the Water's Edge.* 1-day citizens charrette to provide early action and long-term improvement strategies for the Revere Beach area.

**Eastern Cambridge Planning Study**, East Cambridge, Massachusetts.

*Urban Design sub-consultant with Goody Clancy&Associates.* Comprehensive planning study including transportation, economic development, housing, land use and open space, zoning and urban design guidelines.

**Westminster Crossing Master Plan**, Providence, Rhode Island.

*Urban Design and Visual Communication sub-consultant with The Cecil Group.* Comprehensive master plan for air rights development above I-95, reconstruction of the historic Cathedral Square District, and planning for new uses in the Westminster neighborhood.

**Liberty Center Urban Design Plan**, Boston, Massachusetts.

*Urban Design consultant with ADDInc.* Master plan for a proposed high-rise residential tower in

Boston's Chinatown District adjacent to the historic Liberty Tree building.

**Assembly Square Planning Study**, Somerville, Massachusetts.

*Urban Design and Visual Communication sub-consultant with The Cecil Group.* Master plan for a 145-acre commercial site into a mixed-use district with open space, residential, office, R&D, and retail uses, and a new Orange Line transit stop.

**Stony Brook Center Master Plan**, Town of Westford, Massachusetts.

*Urban Design and Visual Communication sub-consultant with The Cecil Group.* Master plan for a 300-acre new town center with residential, educational, town hall, and open space uses.

**Fan Pier Urban Design Concept**, South Boston, Massachusetts.

*Urban Design consultant with CBT/Childs Bertman Tseckares.* Master plan for the redevelopment of a 20.1-acre private parcel into a mixed-use urban waterfront district.

**Rainey Street Historic District Charrette**, Austin, Texas.

*Sponsored by the University of Texas at Austin School of Architecture Graduate Program in Historic Preservation, and the Center for Sustainable Development.* 3-day urban design and planning charrette for the preservation and redevelopment of an historic urban neighborhood.

#### PRIOR EXPERIENCE MASTER PLANNING PROJECTS

**College Hill Historic District**, Providence, Rhode Island.

*In prior affiliation with CBT/Childs Bertman Tseckares.* Lead Urban Designer for a 20-year comprehensive growth management and preservation master plan for the historic College Hill neighborhood.

**Olympic West Boulevard Competition**, Los Angeles, California.

*In prior affiliation with CBT/Childs Bertman Tseckares.* Winner; Lead Urban Designer for a 20-block mixed-use district master plan.

**Post Office Square Park**, Boston, Massachusetts.

*In prior affiliation with CBT/Childs Bertman Tseckares.* Lead Urban Designer for the conversion of a 1.7-acre parking lot into an urban park in Boston's Financial District.

**Cardinal Cushing Memorial Park/ MBTA Bowdoin Station**, Boston, Massachusetts.

*In prior affiliation with CBT/Childs Bertman Tseckares.* Lead Urban Designer for the urban memorial park and redesign of the Bowdoin MBTA T-station.

#### STREETSCAPE AND CIVIC DESIGN PROJECTS

**Brookline Tricentennial Monument**, Brookline, Massachusetts.

*For the Hamilton Company.* Neo-Art Moderne monument designed to commemorate Brookline's 300th anniversary at Coolidge Corner.

**Brighton Square Park and Gazebo**, Allston, Massachusetts.

*For the Brighton Allston Improvement Association (BAIA).* Site planning, landscape and architectural design for a new community park and performance gazebo.

**Packard's Corner Allston Gateway**, Allston, Massachusetts.

*For the Allston Community Association (ACA).* Design and coordination for public/private implementation of pedestrian, public art, and streetscape beautification improvements for the Packard's Corner area of Allston.

#### MIXED-USE RESIDENTIAL PROJECTS

**Cabot Estate C-D Lobby Renovations**, Jamaica Plain, Massachusetts.

*For the Cabot Estate Condominium Association.* Architectural project management, design coordination and specifications services for the renovations of lobbies C and D.

**Quincy Heights**, Roxbury, Massachusetts.

*In collaboration with Elton+Hampton Architects.* "Green Communities - Green Buildings" sustainable urban design and landscape master plan for the complete rehabilitation and redesign of 129

apartment units.

**Morton Street Mixed-use Residential**, Mattapan, Massachusetts.

*For the Morton Street Residences LLC.* New, three-story, 28-unit, mixed-use residential development with ground level retail in an urban village neighborhood context.

**Rock Wall Farm Equestrian**, Mid-Hudson Valley, Plattekill, New York.

*For the Fagans-Vasquez Family.* Sustainable master plan and architectural design for a 22-acre equestrian lifestyle community with six individually designed homes inspired by the equestrian disciplines including a full-service equestrian facility with a 10-stall horse barn, indoor riding arena, training round pens and turn-out paddocks set in a wooded landscape. The Rock Wall Farm Equestrian is designed to achieve SAS/Green Design Principles (GDP) consistent with LEED (SS) (WE) (EA) (MR) (EQ) and (ID) requirements for sustainability. The goal for the project is to achieve LEED Platinum certification.

**Central Square Mixed-use Residential**, Lynn, Massachusetts.

*For Zee Mah.* Adaptive reuse and renovation for five residential lofts with ground level retail in an urban town center.

**Coolidge Corner Mixed-use Residential**, Brookline, Massachusetts.

*For the Hamilton Company.* Design proposal for a new 12-unit luxury residential condominium development at Coolidge Corner.

**Hodge's Pointe Waterfront Residential Pier**, East Boston, Massachusetts.

*In association with ADDInc.* Architectural design for a mixed-use waterfront residential pier.

**Fells Village Mixed-use Transit-oriented Development**, Malden, Massachusetts.

*In joint venture with ADDInc.* Master plan and architectural design for a mixed-use transit-oriented residential village with 350 units of housing, local retail, and a town center with civic open space and commercial uses.

**Kendall Square Mixed-use Urban District**, Eastern Cambridge, Massachusetts.

*In association with CBT/Childs Bertman Tseckares.* Master plan and architectural design for a mixed-use private parcel redevelopment with residential, theater, office, hotel and bio-medical research uses.

**Anderson Park Mixed-use Development**, Austin, Texas.

*In prior affiliation with Black Atkinson&Vernooy.* Lead Urban Designer for the master plan of a 24-acre mixed-use commercial and residential private parcel development.

#### **FEASIBILITY STUDIES AND DESIGN PROPOSALS**

**Our Lady of Presentation**, Brighton, Massachusetts.

*For the Presentation School Foundation.* Pro-bono urban design strategy to create a "community campus" concept in Oak Square and architectural feasibility study for the conversion of a private school into a community resource center.

**Cambridge Street "Flatiron"**, Allston, Massachusetts.

*For the Hamilton Company.* Design proposal for a new mixed-use residential "gateway" development at Union Square in Allston-Brighton.

**Chestnut Hill Avenue "Green"**, Brighton, Massachusetts.

*For the Hamilton Company.* Design proposal for an 18-unit residential project with LEED certified, green building technologies and site design strategy.

**Center Street Mixed-use Robotic Parking**, Brookline, Massachusetts.

*For the Hamilton Company.* Design proposal for a new civic building at Coolidge Corner with community functions including a state of the art robotic parking structure, community center, and black-box theater.

**Commonwealth Avenue Mixed-use Residential**, Allston, Massachusetts.

*For Brighton Avenue Associates LLC.* Feasibility study for a mixed-use high-rise residential pri-

vate parcel redevelopment.

**Coolidge Avenue Mixed-use Residential**, Watertown, Massachusetts.

*For the Who-Lee Trust.* Feasibility study for a mixed-use office and commercial private parcel redevelopment.

#### ADAPTIVE REUSE PROJECTS

**Rose Court Residential**, Chelsea, Massachusetts.

*For the Chelsea Residential Group LLC.* Adaptive reuse and gut/rehab renovation for a 16-unit residential development.

**Chestnut Hill Park Residential**, Brighton, Massachusetts.

*For the Hamilton Company.* Adaptive reuse and renovation of the former Greenery Rehabilitation Center into a 47-unit residential development with off-street parking and an outdoor 1/2 acre passive recreational park.

**NEENAS Lighting Showroom**, Cambridge, Massachusetts.

Renovation for a 1,200 SF lighting showroom at historic Harvard Square.

**Salem Jail House**, Salem, Massachusetts.

Design proposal for an adaptive reuse renovation of the former historic jail house into a mixed-use residential development.

**Cafe Nicholas**, Newton, Massachusetts.

Gut and rehab for a new cafe and pizza restaurant in a commercial town center.

**Boston National Video**, Brookline, Massachusetts.

Warehouse renovation of an entrance hall and new mezzanine and production office suites.

**GPI Models, Inc. Architectural Model Shop**, Somerville, Massachusetts.

Gut rehab of a 4,000 SF former printing warehouse into an architectural model shop.

**Newton Trial Court**, Newton, Massachusetts.

*Design consultant with DRA/Drummey Rosane Anderson.* Interior design and construction documentation for two courtrooms and public lobbies.

#### EXCLUSIVELY RESIDENTIAL PROJECTS

**Ash Street Residence**, Weston, Massachusetts.

*For the Santangelo Family.* Design and construction documents for a new, two-story 5,300 SF high-end private residence.

**Delany Circle Residential**, Brighton, Massachusetts.

*For Santangelo Development.* Design and construction documents for a 3-unit residential subdivision development.

#### INSTITUTIONAL/EDUCATIONAL PROJECTS

**Good Samaritan Medical Center Radiation Oncology**, Brockton, Massachusetts.

*Design consultant with JACA Architects.* Master plan, exterior design, and documentation for a new 9,900 SF radiation oncology wing for Caritas Good Samaritan Hospital.

**Early Childhood Center**, Middleborough, Massachusetts.

*For the Middleborough Public School System.* Adaptive reuse and conversion of the former 1927 Memorial Junior High School into 14 new kindergarten classrooms; renovation of the 1955 Gymnasium; and renovation of the Washburn building with new educational programs.

**Newton South High School**, Newton, Massachusetts.

*Design consultant with DRA/Drummey Rosane Anderson.* Architectural schematic design, design development and bid set documents for a new 3-story classroom wing.

**Greater Lawrence Technical School**, Andover, Massachusetts.

*Design consultant with DRA/Drummey Rosane Anderson.* Architectural design and production documentation for a new 355,000 SF vocational school expansion/renovation.

**Mildred Avenue Middle School**, Boston, Massachusetts.

*Design consultant with DRA/Drummey Rosane Anderson.* Architectural schematic design for a new 172,000 SF middle school with 785 students in an urban neighborhood.

**Lilla G. Frederick Pilot Middle School**, Boston, Massachusetts.

*Design consultant with DRA/Drummey Rosane Anderson.* Architectural schematic design for a new 170,000 SF middle school with 785 students in an urban neighborhood.

**Peirce & Dallin Elementary Schools**, Arlington, Massachusetts.

*Design consultant with DRA/Drummey Rosane Anderson.* Architectural schematic design for two new elementary schools in urban neighborhoods.

**J.G. Pyne Arts Magnet & Pawtucketville Memorial Elementary Schools**, Lowell, MA.

*Design consultant with DRA/Drummey Rosane Anderson.* Architectural schematic design for two new 78,000 SF elementary school additions and renovations.

**Joseph A. McAvinnue & Greenhalge Elementary Schools**, Lowell, Massachusetts.

*In prior affiliation with DRA/Drummey Rosane Anderson.* Lead Designer for two new 66,000 SF pre-k, k-4 grade elementary school prototypes.

#### ARCHITECTURAL DESIGN COMPETITIONS

**Gillette Landmark Design Competition**, South Boston, Massachusetts.

Single-phased design competition for a landmark icon that marks the entry to the Company's World Shaving Headquarters and celebrates the P&G Gillette Company's 100-year history.

**World Trade Center Site Memorial**, New York, New York.

International design competition for a memorial to the events of 9/11.

**The Grand Egyptian Museum**, Cairo, Egypt.

International design competition for the new national museum to house the entire collection of Egyptian antiquities near the Giza Pyramids.

**Chicago Public Schools**, Chicago, Illinois.

National design competition for three "small schools" in an urban neighborhood using universal design principles.

**Kansai-Kan National Library**, Kansai Science City, Japan.

International design competition for a new freestanding 750,000 SF national archive and cultural research library.

**Evanston Public Library**, Evanston, Illinois.

National design competition for a new 108,700 SF public lending library.

**Clemson University Performing Arts Center**, Clemson, South Carolina.

National design competition for a new 70,000 SF performing arts center and academic campus.

#### URBAN DESIGN COMPETITIONS

**Dudley Square Charrette and Design Competition**, Roxbury, Massachusetts.

Architecture and urban design charrette competition for the revitalization of the Dudley Square Commercial District and retail area with mixed-use programs and open space.

**Recklinghausen Inncity Redevelopment**, Recklinghausen, Germany.

International architectural and urban design competition for a new mixed-use urban quarter redevelopment in a historic district.

**New Housing, New York**, Pot Cove Waterfront, Queens, New York.

International design competition for the mixed-use residential and commercial redevelopment of an urban waterfront district.

**Gloucester Density Competition**, Gloucester, Massachusetts.

National urban design competition for the TOD redevelopment of an 18.6-acre site with mixed-use housing, commercial, retail and open space uses near a proposed commuter rail station.

**Tucson Gateway**, Tucson, Arizona.

International design competition for a new gateway and city landmark.

**Queens Plaza Streetscape**, Long Island, New York.

International design competition for the redevelopment of mixed-use district in Queens.

**Singapore Management University**, Singapore.

International design competition for a new urban university quarter in a historic district.

**Charles Circle/MGH MBTA Station**, Boston, Massachusetts.

National design competition for the Charles Circle; redesign of the MGH/MBTA Station; and a new 600,000 SF mixed-use redevelopment for the historic MGH Jail site.

**Head Office of the Mies van der Rohe Foundation**, Barcelona, Spain.

International design competition for a new 30,000 SF headquarters and exhibition pavilion and urban plaza adjacent to the historic Barcelona Pavilion.

**Village of Plainfield New Town Center**, Plainfield, Illinois.

National design competition for a new 300-acre town center.

**Scottish Architecture and Design Center**, Edinburgh, Scotland.

International design competition for the new architectural design and cultural center with exhibition gallery, archive library, lecture hall, IMAX theater and office uses.

**La Cite Internationale de Montreal**, Montreal, Quebec, Canada.

International design competition for the revitalization of the 100-acre central business district adjacent to Montreal's historic quarter.

**LANDSCAPE DESIGN COMPETITIONS****Flight 93 National Memorial**, Somerset, Pennsylvania.

National design competition for a permanent memorial to flight 93.

**Worcester Fire Fighters Memorial Park**, Worcester, Massachusetts

National design competition for a permanent memorial to the six fire fighters from the December 3, 1999 warehouse fire.

**Newton Millennium Park**, Newton, Massachusetts.

National design competition for a new city park adjacent to the historic Olmsted grounds at Newton City Hall.

**Pier 40 Park**, New York City, New York.

International design competition for the redesign of a 16-acre pier into a waterfront park located at the juncture of New York's Greenwich Village and SOHO neighborhoods.

**Union Square Park**, San Francisco, California.

International design competition for the redesign of a 2.6-acre urban landscaped park.

**PRIOR EXPERIENCE PROJECTS****Lowell General Cancer Center**, Lowell, Massachusetts.

*In prior affiliation with TRO/The Ritchie Organization.* Senior Associate-in-charge of design for a new 40,000 SF cancer care center and campus master plan.

**Harvard Pilgrim Health Care**, Fenway Neighborhood in Boston, Massachusetts.

*In prior affiliation with TRO/The Ritchie Organization.* Senior Associate-in-charge of design for a new freestanding 135,000 SF ambulatory specialty and surgery center.

**Memorial Hospital of Rhode Island**, Pawtucket, Rhode Island.

*In prior affiliation with TRO/The Ritchie Organization.* Senior Associate-in-charge of design for a new 53,000 SF primary care center.

**Cullman Regional Medical Center**, Cullman, Alabama.

*In prior affiliation with TRO/The Ritchie Organization.* Senior Associate-in-charge of design for a new 115-bed regional hospital and an 80-acre medical campus master plan.

**Boston University Medical Center**, Boston, Massachusetts.

*In prior affiliation with TRO/The Ritchie Organization.* Senior Associate-in-charge of design for a 25-acre healthcare and biomedical urban research campus.

**Samsung Medical Center**, Seoul, South Korea.

*In prior affiliation with TRO/The Ritchie Organization.* Senior Associate-in-charge of design for a new 700-bed prototype urban medical complex.

**Stamford Health System**, Stamford, Connecticut.

*In prior affiliation with TRO/The Ritchie Organization.* Senior Associate-in-charge of design for a new health services center, mother & baby pavilion and center for continuing care.

**The Irish Cultural Center**, Canton, Massachusetts.

*In prior affiliation with TRO/The Ritchie Organization.* Senior Associate-in-charge of design for a 42-acre campus master plan and multi-use cultural facility.

**MBNA New England**, Camden, Maine.

*In prior affiliation with TRO/The Ritchie Organization.* Senior Associate-in-charge of design for a new 20,000 SF corporate facility and senior management retreat center.

**Brigham and Women's Center for Women and Newborns**, Boston, Massachusetts.

*In prior affiliation with Tsoi/Kobus&Associates.* Lead Designer for a state-of-the-art 265,000 SF birthing center with emergency, nicu and post-partum programs.

#### TEACHING POSITIONS HELD

<b>Advanced Architecture Design Studio Faculty</b> Boston Architectural College, Boston, MA.	1999 to present
<b>Thesis Committee Representative &amp; Thesis Advisor</b> Boston Architectural College, Boston, MA.	1992 to present
<b>Adjunct Professor</b> Wentworth Institute of Technology, Department of Architecture	2005
<b>Guest Lecturer</b> Boston Architectural College, Boston, MA.	2004
<b>Design Studio Guest Critic</b> Wentworth Institute of Technology, Boston, MA. Northeastern University, School of Architecture, Boston, MA.	2004
<b>Thesis Student Advisor</b> Munster University School of Architecture, Munster Germany	2004

#### HONORS & AWARDS

<b>Honorable Mention Award</b> <i>Harbor Park Pavilion Design Competition, Boston, Massachusetts.</i> Boston Harbor Island Alliance and The Boston Society of Architects; Boston, MA.	2005
<b>First Place Award</b> <i>Density - Myth &amp; Reality Design Competition, Gloucester, Massachusetts.</i> Boston Society of Architects; Boston, MA.	2003
<b>Selected for Publication</b> <i>The Grand Egyptian Museum, Cairo, Egypt.</i> Egyptian Ministry of Culture	2003
<b>First Place Award</b> <i>Charles Circle/MGH Station Design Competition, Boston, Massachusetts.</i> MBTA and Mass General Hospital; Boston, MA.	1998
<b>Honorable Mention Award</b> <i>Newton Millennium Park Design Competition, Newton, Massachusetts.</i>	1998

Newton 2000 Committee; City of Newton, MA.

**Honorable Mention Award** 1997

*Union Square Park Design Competition, San Francisco, California.*

The San Francisco Planning and Research Association, San Francisco, CA.

**Honorable Mention Award** 1991

*La Cite Internationale de Montreal International Urban Design Competition, Montreal, Quebec, Canada.*

Ville de Montreal & The Association des Promoters Immobiliers de la Cite de Montreal

**Finalist/Honorable Mention Award** 1990 and 1992

*James Harrison Steedman Travelling Fellowship*

Washington University in St. Louis, MI.
